Adobe Photoshop CC and Photoshop CC Extended There are two versions of Photoshop CC available. Photoshop CC is available as a standalone version that runs on Windows, macOS and Linux. Photoshop CC Extended is available as a standalone version, or as a Windows only version that can be installed via the Windows Store or via an OSX desktop installer. Adobe Photoshop 2018 Adobe Photoshop is the most expensive version of Photoshop. It is not free but it is still a great tool for photo editing, portrait retouching and design-related tasks. If you need a professional-level tool to control the way pixels are re-arranged into a new image then this is the version for you. There is a 6-month trial version, which means you can try it before buying. This Day in Canadian History: March 26, 1825 A scene showing a number of the Indigenous people who were captured

Battered and Naked "Battered and Naked" is a song recorded by American singer-songwriter Linda Perry for her second studio album, I'm with You (1989). "Battered and Naked" was written by Perry, Mark Hudson, and Glen Ballard. It was released as the album's third single on July 31, 1990, by Columbia Records. Background and composition Perry wanted to release the song as the third single from her second studio album I'm with You (1989), but her record label didn't like the idea. In the year after the release of I'm with You, Perry formed a band and signed with Columbia Records. She recorded "Battered and Naked" and eleven other tracks for her debut studio album. "Battered and Naked" was released as the first single from I'm with You in 1989, and it reached number two in the United States, becoming Perry's first top 10 single. It was issued as a promotional single by Columbia. "Battered and Naked" was written by Linda Perry, Mark Hudson and Glen Ballard. It is a synthpop/New wave song. In the music video, Perry is seen dancing on a beach with another woman wearing a fur coat. A single cover version of the song was performed by Michelle Branch in the concert film "MTV Unplugged in New York" (2009). Promotion In 1989, Perry performed "Battered and Naked" as a live cut on the song "Love Songs", an album in which several singles were selected with their edited version. The performance was released in the single's promotional video and in various music video collections. It became a live favorite for Perry. The song is included on Perry's live album Linda Perry: Live from the Paradiso (1989).
